

Free Dump Loads/Yard Clean Ups

What's Allowed?

These loads are for when someone cleans out their house, garage, yard, etc.

These loads are meant for bags of miscellaneous garbage and random junk/unwanted items that you would typically charge for a regular truck or trailer load.

Examples:

- Bags of garbage/household waste
- Cleaned out their fridge/freezer of old food
- Broken yard tools (rakes, shovels, etc.)
- Styrofoam
- Kids toys
- Old plastic lawn chairs
- Flower pots and plastic planting trays
- Plastic feed bags

Free dump loads can **NOT** be used in-lieu for items with set tipping fees, i.e. furniture, fridge, shingles, etc. **Regular charges still apply.**

It may **NOT** contain the following:

- Furniture (mattress, boxsprings, couches, armchairs, etc.)
- Construction materials
- Shingles
- Fridges, freezers, or anything containing refrigerant
- Hazardous waste (must be brought to the hazardous waste depot in North Bay)
- Recyclable materials (these **MUST** be recycled accordingly, and not thrown into the landfill)

All materials being dumped from a Free Dump Load must be sorted and disposed of in the proper areas of the landfill.

Electronics may be part of these loads but are to be placed in the OES bin and not in the landfill. Examples: TVs, printers, vacuums, coffee makers, old phones, satellite receivers, etc.
